Remembrance Of Brethren At Sea
(Eternal Father)

As sung by Caer Urfa Lodge No. 4345, South Shields, Province of Durham

Author : Unknown, Caer Urfa Lodge has been singing this version of the hymn since 1921, and so have most of the other Lodges in the town of South Shields

O Loving Father, hear our prayer,
As we beseech, Thee give thy care.
To those our brethren on the sea,
And turn our thoughts to them, and Thee :
And everlasting praise shall be,
Almighty Architect to Thee.

O Loving Father, let the Square,
And Compass lead them everywhere;
The Sacred Law direct their life,
In all their troubles, and their strife;
And everlasting praise shall be,
Eternal Architect to Thee.

O Loving Father, let Thy love,
Come down upon them from above,
Return them safely free from ill.
And gratitude our bosoms fill ;
And everlasting praise shall be,
Eternal Architect to Thee.
