THE MASTER'S SONG

(Here's to His Health in a Song)

This world is so hard and so stony;
That if a man is to get through,
He need have the courage of Nelson,
And plenty of Job's patience too.
But a man who is kind to another
And cheerfully helps him along,
God Bless such a man and a Brother,
And here's to his health in a song.

(Chorus)

And here's to his health,
Here's to his health,
And here's to his health in a song.

(Chorus All - Standing)

And here's to his health,
Here's to his health,
And here's to his health in a song.

(All Sit)

This life is as cheerless as Winter,
To those who are cold in the heart;
but a man who is warm in his nature,
Bids Winter for ever depart,
The ground that he treads on will blossom,
'Till beauties around him shall throng;
God Bless such a man and a Brother,
And here's to his health in a song.

(Chorus as per first verse)

As clouds that in sunshine are open,
And silver'd by light passing through;
So men who are gen'rous in spirit,
Are bless'd by the good deeds they do;
There's nothing like helping another
For getting one's own self along;
Who does this is truly a Brother.
And here's to his health in a song.

(Chorus as per first verse but sung twice by All)
